It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In column 3, line(s) 16–27, delete “Based on the user data thus specified, at least a portion of the plurality of formatting variables are modified according to corresponding optimized formatting values. The electronic document is then formatted in accordance with the modified formatting variables and provided for display. In a preferred embodiment, the user-modifiable variables comprise a font reference variable (e.g., selecting a small font or a large font) and/or a display form factor variable. In this manner, the present invention allows for user preferences in displaying electronic documents, and yet optimizes readability of such documents despite changes to formatting variables resulting from user preferences.” and on line 15 after “variables” insert -- Based on the user data thus specified, at least a portion of the plurality of formatting variables are modified according to corresponding optimized formatting values. The electronic document is then formatted in accordance with the modified formatting variables and provided for display. In a preferred embodiment, the user-modifiable variables comprise a font reference variable (e.g., selecting a small font or a large font) and/or a display form factor variable. In this manner, the present invention allows for user preferences in displaying electronic documents, and yet optimizes readability of such documents despite changes to formatting variables resulting from user preferences. --.

In column 10, line 47, in Claim 8, after “formatting” delete “:”.

In column 10, line 54, in Claim 8, delete “an” and insert -- a), --, therefor.

In column 12, line 28, in Claim 23, delete “**form at**” and insert -- **formatting** --, therefor.
